Receiving the Precious Blood of Christ.

You can receive the Precious Blood of Christ by either intinction or directly from the chalice.

If you want to receive by intinction please keep the sacred host in your open hand and the chalice-bearer will take the host and dip a small portion of it carefully in the Precious Blood and place the host on your tongue.

Of course, you are always invited at anytime to receive just the host.

When at the Altar rail, after receiving the host, cross your arms and the chalice-bearer will move to the next person.
